Leezy confided
“I cried all night!”

Pals wouldn’t hear it
though! “You pried some
web site?” Rose laughed.

“No! Rather she bit a bad
bite of hard ice

cream!” Ben snapped,
adding “Strawberry?

With Little fruit bits like
the balls of cancerous
dwarfs!” Others chime in

like this, but Leezy stuck it out
till Lynnie proclaimed “Get
over it, Girl!”

“Hey! Life can roll
that way!” Budge

shrugged “& Life’s SHIT! I got perma-
nently broken HEART! From Business

mostly!” Hal: “Me fuckin’ too! Well fuck all of them but seven! Save them for tomorrow.”

Leezy breathed then, because it’s actually how they help. Show

Love. Who’d believe it?
